Preparing to Teach Core Maths

Academic year: 2026–27

Course overview

Preparing to Teach Core Maths is designed for teachers who are new to teaching the qualification.

You will explore the structure and purpose of Core Maths, approaches to planning and delivery, and key considerations around assessment and student recruitment. The course provides practical ideas and resources to help you begin teaching with confidence.

Features of the course:

- Four online sessions
- Each session is delivered via Zoom
- Additional time available for questions and personalised support with our Core Maths specialists

Course dates

Four online sessions delivered via **Zoom**.

Each session runs from **16:00 to 17:30**.

Spring cohort dates:

Session	Date
Culture of the Classroom and Estimation	Tuesday, 27 April
Resources and Critical Analysis	Tuesday, 4 May
Assessment and Finance	Tuesday, 11 May
Recruitment and Data	Tuesday, 18 May

Summer cohort dates:

Session	Date
Culture of the Classroom and Estimation	Monday, 21 June
Resources and Critical Analysis	Monday, 28 June
Assessment and Finance	Monday, 5 July
Recruitment and Data	Monday, 12 July

Eligibility – The DfE provides funding so that places on this course are free to teachers from state-funded schools and colleges in England. For those who do not meet this criterion, the course fee of £135 applies.
