Core Maths: A Fresh Approach to Teaching Mathematics - Area Coordinator organised day

Bradford

21st March 2019

Overview

An engaging event focused on supporting teachers with the delivery of the increasingly popular Core Maths qualifications. This day has been designed to complement our other Core Maths professional development opportunities; all sessions are unique to the day and different to the content covered in our Regional Conferences.

Aims

- To provide teachers with an opportunity to explore resources and teaching approaches that will keep the context alive.
- To give information about the different specifications and forms of assessment.
- To network with new and experienced teachers of Core Maths.

Who will benefit from attending?

This course is suitable for anyone who is already teaching Core Maths this academic year, or for teachers who are interested in finding out more prior to teaching Core Maths.

Content

The content for the day will be chosen by the AMSP Area Coordinator taking into account the needs of potential attendees. Sessions on the day* will include:

- Core Maths and other A levels (cross curricular links)
- Promoting Core Maths to SLT
- The Core Maths Quiz
- Lesson Design - Turning Germs into Gems
- Lesson Design - The Sealed Room
- Design of a Scheme of Work and Finding Resources
- Using Excel for Financial Maths
- Ongoing Assessment and Core Maths

*An Area Coordinator organised day will usually include four sessions

Cost

State-funded schools, colleges and academies can apply to this course for **free**.

Schools and colleges located within [Priority Areas](#) are eligible to receive a subsidy of £250 to support staff cover and travel costs. For more information, visit our [subsidies](#) page.

Study Schedule

The day will be split into two sessions:

Session 1 - For teachers who are currently teaching Core Maths. This session will focus on getting the most out of the pre-release materials for the upcoming assessments.

11:30	Arrival and refreshments
12:00	Sharing experiences with other teachers of Core Maths, with a particular focus on areas of the course that your students have found difficult
12:30	Getting the most out of the pre-release materials
13:30	Break
13:45	Exploring approaches and resources to help prepare students for the exams
15:00	Close

Session 2 - For teachers and SLT who are thinking of/will be teaching Core Maths from September 2019

15:00	Arrival and refreshments
15:30	What is Core Maths, who is it for and how can you introduce it in your school?
16:30	Break
16:40	A hands on model lesson to explore how the approach to delivering Core Maths is different to GCSE
17:30	Close
