

Chippenham Teacher Network

Core Maths

24th January 2019

Overview

Chippenham Teacher Network is an AMSP-funded project, allowing teachers of maths to meet, collaborate and to share best practice. We meet four times a year and the programme is mainly speaker-led training events and may include informal sessions.

Content

An opportunity to discuss approaches to teaching Core Maths with other teachers, and to explore some resources that could be used in the classroom. This free session will be led by Ruth Jones (former Core Maths Lead with the Core Maths Support Programme)
