

Central Herts Network Meeting

Network meeting on supporting weaker students

4th March 2019

Overview

The Hertfordshire Mathematics Teacher Networks are AMSP-funded projects allowing teachers of maths to meet, to collaborate and to share professional development. We meet termly and the programme is a mixture of interactive discussion and speaker-led training events. For this session we will compare methods to support weaker students.

Who will benefit from attending?

Teachers of A level maths and further maths

Materials and Equipment

Resources used to give weaker students extra practice.

Eligibility

Teachers at state-funded and independent schools
