

North Herts Network Meeting

Network meeting on Core Maths

25th March 2019

Overview

The Hertfordshire Mathematics Teacher Networks are AMSP-funded projects allowing teachers of maths to meet, to collaborate and to share professional development. We meet termly and the programme is a mixture of interactive discussion and speaker-led training events. For this session we will discuss setting up and delivering Core Maths. It will be suitable for current and prospective teachers of Core Maths.

Who will benefit from attending?

Teachers who are delivering Core Maths or may do in the future and teachers from schools who are considering offering Core Maths in the future.

Materials and Equipment

Please bring any available textbooks and resources for Core Maths.

Eligibility

Teachers from state-funded and independent schools
