## Essex & Suffolk Year 10 Enrichment Day

### Colchester

1st April 2019

#### Overview

A day of mathematical activities and talks with the opportunity for students to meet enthusiasts of their own age from other schools.

The emphasis of the day will be that mathematics can be both engaging and challenging.

#### Who will benefit from attending?

We hope that you will be able to bring a group of up to 16 students who would benefit from the challenge of this event.

#### Content

The students will be given three interactive and engaging talks covering topics which are not usually covered within the standard curriculum. Talks will be given by experienced mathematics outreach presenters. A group activity will be held after lunch encouraging collaborative learning with the added prospect of a prize for the best group work.
