Maths Is For Everyone - Year 10 Enrichment Event

Bath

2nd May 2019

Overview

A day of stimulating mathematical activities for Year 10 students featuring

- The Hidden Mathematics of Technology - an enrichment talk
- Maths and Careers Q&A
- Workshops and a Team Maths Competition

The emphasis of the day will be that mathematics can be both **fun** and **challenging**, and that studying mathematics beyond GCSE is a path to a variety of exciting university courses and careers.

Who will benefit from attending?

We anticipate that the event will challenge the students whatever their ability, but that middle ability students and above should find the content accessible and stimulating. We suggest that you bring equal numbers of boys and girls if possible.

Other Information

All students attending must be accompanied by a member of staff from their school who will be responsible for the students throughout the day. Further details will be sent out prior to the event.

- Students should bring their own packed lunch
- Buffet lunch provided for teachers and presenters

Eligibility

This event is open to students in state funded schools.

Cost

Free
