

North West Surrey Teacher Network

Problem Solving and Outliers

25th March 2019

Overview

The North West Surrey Teacher Network is an AMSP-funded project, allowing teachers of Maths in the Chertsey and Woking area of Surrey to meet, collaborate and share best practice. Meetings will take place termly and the programme is planned by teacher request. The meetings will be a mixture of informal sessions and training events.

Content

Problem Solving

We look at this important skill for GCSE, Core Maths, A Level, and University Entrance. Come ready to solve some problems and develop strategies to use with students

Working with Outliers

As exam season approaches, what works best with those who are struggling to get a grade? And how do we support those aiming for an A*? Bring your ideas to share.

Advanced Mathematics Support Programme

Updates from Yvonne and Phil. CPD opportunities, partnership with Maths Hub Work Groups, support for GCSE, Core Maths, and A Level.
