

Edgbarrow School Teacher Network

Mathematical Writing

1st April 2019

Overview

Edgbarrow Teacher Network is an AMSP-funded project, allowing teachers of Mathematics in the Crowthorne, Bracknell and Wokingham area of Berkshire to meet, collaborate and to share best practice. We meet termly and the programme is planned by teacher request and will include informal sessions and training events.

Content

Writing a structured chain of reasoning is a crucial skill for which many students find challenging. This is especially true in the new A level courses.

In this network meeting we will explore puzzles based on language and logic that can be used to help students understand how to construct a sequential argument. In particular, we will discuss the notation that students may find helpful when presenting their answers. As a bonus, we might discover why some kangaroos look ridiculous, whether I have met a mermaid and if I can write good poetry?

Key Facts

Event ref:	#5765
Audience:	Teachers
Curriculum focus:	A level Mathematics, 11-16 maths, A level Further Mathematics, Core Maths
Mathematical focus:	Mechanics, Statistics, Pure, Discrete, Problem solving, Reasoning
Event format:	Network meeting
Event length:	1.5 hours
Venue:	Edgbarrow School, Grant Road, Berkshire, RG45 7HZ
Date:	Mon 1st Apr 2019
Course times:	16:00 - 17:45
