

Solent Teacher Network

New Network Opportunity

28th March 2019

Overview

Solent Maths Teacher Network is an AMSP-funded project, allowing teachers of Mathematics of all Key Stages in the Southampton and Portsmouth area to collaborate and share practice. We meet termly and the programme will involve speaker led training events and informal discussions which will be decided on by local needs and participants input.

Content

A chance to create your own secondary mathematical community in the Solent Area.

Join us to:

- network with maths teachers from other schools and colleges in the area;
- get to know more colleagues/talk about maths and teaching/share practice and resources
- find out about the Advanced Maths Support Programme and how it can support teachers and students (KS4 and KS5) in your school
- discuss how you would like this network to grow and run.

Refreshments will be provided, so for catering purposes, please book yourself a place at the meeting by completing our short form at this link:
