

## Keele Teacher Network

### Strategies for Preparing Students for A-level Examinations

27th March 2019

#### Overview

The Keele Teacher Network is an AMSP-funded project, allowing teachers of GCSE & A level Mathematics to meet, collaborate and to share best practice, and hear from expert presenters. We meet approximately termly and the programme is mainly speaker-led training events and may include informal sessions.

#### Content

Thinking about how best to prepare your students for this year's A-level Maths examinations.

We will be looking at those questions that cause particular difficulty.

Is it the language of the question? How can students Problem Solve and the Decipher of Questions?

All delegates are asked to bring along ideas and resources to share.
