6th Form Problem Solving Workshops

London

27th March 2019

Overview

This series of workshops aims to develop the mathematical thinking of all A level Mathematics students and will be particularly beneficial to those students aiming to take MAT, TMUA, STEP or AEA exams.

Aims

- To develop students' problem-solving skills
- To increase awareness of MAT, STEP, TMUA and AEA
- To provide opportunities for students to work with students from other schools

Content

All sessions will take place on Wednesdays, 4.15 - 6pm

27th March Algebra 1 : session complete

3rd April Session cancelled

Easter Holidays

24th April Geometry 1

1st May Number 1

8th May Algebra 2

15th May Combinatoris 1

22nd May Number 2

Summer Half-Term holidays

5th June Number 3

12th June Algebra 3

19th June Geometry 2

26th June Geometry 3

3rd July Calculus 1

Other Information

The 'Apply' button will allow you to register a students' interest in attending the course. You and the student will receive an email when the place is confirmed.

Both teacher and student information is needed on the form (so it is easiest to complete with both people present).

Eligibility

All students who apply to take the course must be recommended by a teacher.

A maximum of five students may be recommended per school.

Cost

Places are free, but are limited, so we do expect students to commit to attending the whole course.

Key Facts

Event ref:	#5802
Audience:	Students
Target year:	Year 12
Curriculum focus:	University admissions tests, A level Mathematics, A level Further Mathematics
Mathematical focus:	Pure, Problem solving, Reasoning
Event format:	Student course
Region:	London and South East
Venue:	London Academy of Excellence, Tottenham, 780 High Road, London, N17 0BX
Start date:	Wed 27th Mar 2019
Course times:	16:15 - 18:00

Registration
