

Bristol Teacher Network

Review of the summer 2019 level 3 maths exams

12th December 2019

Overview

Bristol Teacher Network is an AMSP-funded project, allowing teachers of maths to meet, collaborate and to share best practice. We meet four times a year and the programme is mainly speaker-led training events and may include informal sessions.

Content

A review of the summer's Core Maths, A level and Further Maths exam papers.

Discussion based around the exam boundaries, examiners' reports, question types and students' success.

We will also discuss and decide on the content for future meetings.

Materials and Equipment

Please bring along examples of questions that you would like to discuss or share.
