

## Teacher Network Meeting at UCL

### A level Maths Overarching Themes: Modelling

22nd April 2020

#### Overview

This is a series of three Teacher Network meetings at UCL focusing on the overarching themes of the A level Maths curriculum.

Proofs: 27 November 2019

Problem Solving: 4 March 2020

Modelling: 22 April 2020

#### Who will benefit from attending?

Examiner's reports show that the overarching themes in the A level maths curriculum, namely proofs, problem solving and modelling, have proved to be a challenge for students. In this meeting we will focus on modelling, identifying the issues and proposing strategies to address the curriculum content.
