

## Little Heath Teacher Network

### Proof

15th January 2020

#### Overview

The Little Heath Teacher Network is an AMSP-funded project, allowing teachers of Maths in the Reading and West Berkshire areas to meet, collaborate and share best practice. We meet termly and the programme is planned by teacher request and will involve a mixture of informal sessions and training events

#### Content

How can we support our students to improve their understanding and presentation of mathematical proof's ?

This was highlighted in the examiners reports for last summers exams as an area that many students could improve on.

Come along to look to discuss how proof can be built up through the KS3 to KS5 curriculum and do some proofs together.

Refreshments provided so please respond to Jane Byrne by email or use the google form for booking
