

Advanced Mathematics
Support Programme®

TEN STEM

Kirkby Stephen

13th February 2020

Overview

Come along and find out about how Maths (and other STEM subjects) can open doors to your future.

Have a go at some simple puzzles and find out about the 1 million dollar Millenium Maths Prizes!

Discover how maths is all around us every day, and how it's useful for a wide variety of careers.

Aims

- Improve problem solving skills
- Discover more about "everyday" maths
- Find out about Maths and other STEM careers
- Find out about A Level options and Level 3 Maths Pathways

Who will benefit from attending?

Year 10 students wanting to find out more about A level maths and STEM careers

Content

Puzzles, videos, and discussions. Guest STEM speaker (TBC)

Eligibility

Year 10 students currently following the Higher Tier maths curriculum. Pupils must be accompanied by their teacher. Additional teachers or Teaching Assistants are welcome.

Cost

Free
