Getting Started With Core Maths Online

1st May 2020

Overview

This webinar is now fully booked but we will be running it again on 16 July. You'll be able to register for it from mid-June. Make sure you're registered to [stay informed](#) and following [@Advanced_Maths](#) to find out about new opportunities.

Uncover strategies for planning and delivering Core Maths lessons, suggestions for promoting Core Maths, timetabling, support and professional development.

This webinar is one of an extensive series, taking place as part of our [Core Maths Online Festival](#). The sessions are designed to appeal to all teachers of maths and, in some cases, teachers of other subjects. Each webinar is designed to stand alone and will last approximately 90 minutes.

Who will benefit from attending?

This session is particularly designed to appeal to anyone new to Core Maths.

Speaker

Catherine Van Saarloos

AMSP Core Maths Professional Development Lead

[? @CoreMathsCat](#)

Materials and Equipment

During the session, there will be opportunities to ask questions via the chat function on the platform but microphones and webcams are not necessary.

Other Information

Those who sign up will be emailed in the days prior to the webinar and again on the day of the webinar with a link to the online meeting room.

Eligibility

This course is free for teachers from state-funded schools, colleges and academies in England. Teachers based in other parts of the UK or in independent schools and colleges may apply, but places will only be allocated if there is availability.

Cost

This course is free for teachers from state-funded schools, colleges and academies in England. Teachers based in other parts of the UK or in independent schools and colleges may apply, but places will only be allocated if there is availability.
