QUIBANS Live Online

Online

14th May 2020

Overview

QUIBANS are *Questions Inspired By A News Story*. Learn how to take something from the news and then analyse the claims in the article.

This webinar is one of an extensive series, taking place as part of our [Core Maths Online Festival](#). The sessions are designed to appeal to all teachers of maths and, in some cases, teachers of other subjects. Each webinar is designed to stand alone and will last approximately 90 minutes.

Who will benefit from attending?

This session is designed for Key Stage 4 or 5 teachers of any subject who would like to bring more maths and media into their lessons.

Speaker

Mark Dawes

AMSP Area Coordinator

[? @mdawesmdawes](#)

Materials and Equipment

During the session, there will be opportunities to ask questions via the chat function on the platform but microphones and webcams are not necessary.

Other Information

Those who sign up will be emailed in the days prior to the webinar and again on the day of the webinar with a link to the online meeting room.

Eligibility

This course is free for teachers from state-funded schools, colleges and academies in England. Teachers based in other parts of the UK or in independent schools and colleges may apply, but places will only be allocated if there is availability.

Cost

This course is free for teachers from state-funded schools, colleges and academies in England. Teachers based in other parts of the UK or in independent schools and colleges may apply, but places will only be allocated if there is availability.
