# Critical Statistics - Core Maths and Social Sciences Online

29th June 2020

## Overview

Please note this session is running on a Monday (not one of the normal festival days of Tuesday or Thursday)

Dr Robert de Vries is a Lecturer in Quantitative Sociology and is also part of Kent's [Q-Step centre](#). Discover the mathematical content of a social science degree and how Core Maths can help.

This webinar is one of an extensive series, taking place as part of our [Core Maths Online Festival](#). The sessions are designed to appeal to all teachers of maths and, in some cases, teachers of other subjects. Each webinar is designed to stand alone and will last approximately 90 minutes.

## Who will benefit from attending?

For KS5 teachers of Maths and Social Science and Heads of Sixth form.

## Speaker

Dr Rob de Vries

Lecturer in Quantitative Sociology

[? Dr Robert de Vries](#)

## Materials and Equipment

During the session, there will be opportunities to ask questions via the chat function on the platform but microphones and webcams are not necessary.

## Other Information

Those who sign up will be emailed in the days prior to the webinar and again on the day of the webinar with a link to the online meeting room.

## Eligibility

This course is free for teachers from state-funded schools, colleges and academies in England. Teachers based in other parts of the UK or in independent schools and colleges may apply, but places will only be allocated if there is availability.

## Cost

This course is free for teachers from state-funded schools, colleges and academies in England. Teachers based in other parts of the UK or in independent schools and colleges may apply, but places will only be allocated if there is availability.
