Core Maths activities for KS3/4

Online

7th July 2020

Overview

A taster of our top rated ready-to-go enrichment activities. In this session you will hear how teachers have used Core Maths resources to promote the course and from employers who need Core Maths skills in their day to day job.

This webinar is one of an extensive series, taking place as part of our [Core Maths Online Festival](#). The sessions are designed to appeal to all teachers of maths and, in some cases, teachers of other subjects. Each webinar is designed to stand alone and will last approximately 90 minutes.

Who will benefit from attending?

For KS4 teachers of any subject.

Speakers

Rachel Beddoes

Girls' Participation and Careers Coordinator

[? @GirlsCount_2](#)

Catherine Van Saarloos

AMSP Core Maths Professional Development Lead

[? @CoreMathsCat](#)

Materials and Equipment

During the session, there will be opportunities to ask questions via the chat function on the platform but microphones and webcams are not necessary.

Other Information

Those who sign up will be emailed in the days prior to the webinar and again on the day of the webinar with a link to the online meeting room.

Eligibility

This course is free for teachers from state-funded schools, colleges and academies in England. Teachers based in other parts of the UK or in independent schools and colleges may apply, but places will only be allocated if there is availability.

Cost

This course is free for teachers from state-funded schools, colleges and academies in England. Teachers based in other parts of the UK or in independent schools and colleges may apply, but places will only be allocated if there is availability.
