

## Problem solving in A Level Maths and Further Maths - an event for ITT students

12th March 2021

### Overview

The AMSP presents a morning of problem-solving activities, focusing on post-16 mathematics, for maths ITT students at the University of Cumbria.

### Aims

- Develop and enhance participants' understanding of problem-solving
- Introduce MAT, TMUA and STEP and explore some problems seen in those papers
- Give teachers the opportunity to work on some complex problems
- Provide suggestions for suitable teaching resources

### Who will benefit from attending?

ITT students studying secondary mathematics should benefit from attending this course.
