

Hull, York and the East Riding Teacher Network

Engaging, Motivating and Boosting Students' Confidence in a Collaborative Learning Environment

1st December 2021

Overview

Hull, York and the East Riding Teacher Network is an AMSP-funded project, allowing teachers of maths to meet, collaborate and to share best practice. We meet termly and the programme is mainly speaker-led training events and may include informal sessions.

Content

This meeting will enable teachers to discuss the barriers for learning which have become apparent due to the many instances of pupils working remotely and how to help pupils overcome them. There will be time to try out some of the new resources on the AMSP website and/or share resources and ideas which teachers think will be helpful

The event is suitable for KS4 and A level teachers and is open to teachers across the Yorkshire and Humber region.

Materials and Equipment

This meeting will be held on Zoom, which is an online conferencing system that allows participants to collaborate in real time. An invitation will be sent to you around 20 minutes before we start. Please do not share this link with anyone else.

You are advised to use a headset or headphones with an inline microphone to provide the best sound quality and to prevent audio issues for other users. A laptop with a built-in webcam and microphone may be sufficient if you're in a quiet area but please take the time to check this before the session.

Discussion will be both via audio and chat boxes. Please join with a microphone if possible. Joining with your camera on would be most welcome but, of course, not compulsory.

As part of our safeguarding procedures please note the following: (i) It is important that you log in with the names you used when you registered for the course otherwise you may not be allowed into the room. If you prefer to use a shortened/alternative name, then do let us/your course tutor know via email in advance of the session. (ii) You must not pass on any of the registration or Zoom meeting details to anyone else.

Key Facts

Event ref:	#8673
Audience:	Teachers
Curriculum focus:	11-16 maths, A level Mathematics
Event format:	Network meeting
Event length:	1.5 hours
Region:	Yorkshire and the Humber
Venue:	Online
Date:	Wed 1st Dec 2021
