

Advanced Mathematics
Support Programme®

Saturday Morning Problem Solving for Years 12 and 13

Newcastle upon Tyne

2nd October 2021

Overview

This course is suitable for students in years 12 or 13 who wish to challenge themselves and develop their mathematical problem solving skills. It is also suitable for students preparing for the MAT or TMUA papers in October or the STEP paper later in the year.

Aims

- Have fun while tackling mathematical problems.
- Work collaboratively with other students.

Who will benefit from attending?

Any year 12 or 13 student who enjoys maths and is potentially considering studying maths or a related subject at university.
