

Hertfordshire Mathematics Teacher Network

Catch-up discussions including year 10 to year 12 progression

5th October 2021

Overview

The Hertfordshire Mathematics Teacher Network is an AMSP-funded project allowing teachers of maths to meet, to collaborate and to share professional development. We meet termly and the programme is a mixture of interactive discussion and speaker-led training events.

Content

There will be the opportunity to compare current circumstances and to share thoughts on the following issues

- 1) Deciding on year 11 exam entries between foundation and higher.
- 2) Considering additional maths qualifications (AQA Level 2 further maths, Edexcel Algebra award, OCR Additional maths).
- 3) Recruitment ideas for post-16 courses.

Materials and Equipment

This meeting will be held on Zoom. An invitation will be sent to you as a link by email in the week of the event.

You are advised to use a headset or headphones with an inline microphone to provide the best sound quality and to prevent audio issues for other users. A laptop with a built-in webcam and microphone may be sufficient if you're in a quiet area but please take the time to check this before the session.

Discussion will be both via audio and chat boxes. Please join with a microphone if possible. It would be great if teachers are able to join with cameras on but this is, of course, not compulsory.

Key Facts

Event ref:	#8862
Audience:	Teachers
Curriculum focus:	11-16 maths, A level Mathematics, A level Further Mathematics, Core Maths
Event format:	Network meeting
Event length:	1 hour
Region:	East of England
Venue:	Online
Date:	Tue 5th Oct 2021
