Maths Inspiration Maths Fest 2022

London

25th February 2022

Overview

Hand-crafted by stand-up mathematician Matt Parker and maths author Rob Eastaway, Maths Fest is coming back in 2022 to excite students and maths teachers.

Maths Fest 2022 will feature some of the best maths speakers in the UK talking about their favourite bits of maths, and will celebrate maths as an exciting, useful and rewarding subject.

A fantastic day out for mathematics students, certain to leave them motivated and excited to learn more maths!

There will be a variety of fantastic speakers - for more information, please see the [Maths Inspiration website](#).

Who will benefit from attending?

MATHS FEST is an all-day extravaganza for sixth-form students (and maths-keen KS4) to celebrate and be inspired by mathematics.

MATHS FEST is deliberately designed to reinforce normal school lessons.
