

Oxfordshire and Buckinghamshire Online Network

Raising Girls' Participation at Level 3

26th April 2022

Overview

The Oxfordshire and Buckinghamshire Online Teacher Network is an AMSP-funded project allowing teachers of maths to meet, to collaborate and to share professional development. We meet regularly and the programme is a mixture of interactive discussion and speaker-led training events.

Content

We know that overall girls tend to be under-represented in Level 3 maths (Core Maths, A Level Maths and Further Maths). This session will be delivered by Rachel Beddoes, AMSP Girls' Participation and Careers Coordinator. Rachel will share suggestions to help you encourage girls to consider taking maths beyond GCSE. Although the material is specifically pitched at girls, the ideas would be appropriate for all genders. There will be time at the end for questions and discussion.

Aims

- Encouraging girls' participation in advanced mathematics
- Use key findings drawn from data to increase participation at Level 3

Who will benefit from attending?

KS3 to KS5 Maths teachers, KS4/5 Coordinators, members of the SLT.

Materials and Equipment

The meeting will be on the Zoom platform.

The link to the meeting will be emailed during the week before the meeting.

You are advised to use a headset or headphones with an inline microphone to provide the best sound quality and to prevent audio issues for other users. A laptop with a built-in webcam and microphone may be sufficient if you're in a quiet area but please take the time to check this before the session.

In order to fully participate in the meeting please be willing to use your camera and microphone, although if this is impossible the chat option will be available.

As part of our safeguarding procedures please note the following:

- (i) It is important that you log in with the names you used when you registered for the meeting otherwise you may not be allowed into the room. If you prefer to use a shortened/alternative name, then do let us know via email in advance of the session.
- (ii) You must not pass on any of the registration or Zoom meeting details to anyone else.

Key Facts

Event ref:	#9369
Audience:	Teachers
Curriculum focus:	11-16 maths, A level Mathematics, A level Further Mathematics, Core Maths
Event format:	Network meeting
Event length:	1.5 hours
Region:	South
Venue:	Online
Date:	Tue 26th Apr 2022
Course times:	16:30 - 18:00

Registration

For more information, or to register for this event, please visit <https://amsp.org.uk/events/details/9369>
