

## Kent and Medway Online Teacher Network

### Raising Girls' Participation in Level 3 Maths

27th January 2022

#### Overview

The Kent and Medway Online Teacher Network is a composite of the 3 face-to-face teacher networks which run in the Kent and Medway region. Network meetings will run 3 times per academic year and will focus on teacher professional development. Because it is an online classroom, negating the geographical challenges normally present with network meetings, it is open to the whole Kent and Medway region. It is an AMSP-funded project allowing teachers of maths to meet, collaborate and to share professional development.

#### Content

Although the focus of this session is to raise girls' participation in level 3 maths, the ideas discussed would be appropriate to raise participation in level 3 maths of all genders.

Girls are generally under-represented in Level 3 maths (Core Maths being the exception). This session will aim to give you some suggestions to help you encourage girls and other genders to consider taking maths beyond GCSE.

Rachel Beddoes, Girls' Participation and Careers Coordinator, from the Advanced Maths Support Programme will introduce some ideas on raising girls' participation. Teachers will then have the opportunity to share experiences and discuss plans.

#### Materials and Equipment

This meeting will be held on Zoom. An invitation will be sent to you a few days before the meeting. Please do not share this link with anyone else.

You are advised to use a headset or headphones with an inline microphone to provide the best sound quality and to prevent audio issues for other users. A laptop with a built-in webcam and microphone may be sufficient if you're in a quiet area but please take the time to check this before the session.

Discussion will be both via audio and chat boxes. Please join with a microphone if possible. Joining with your camera on would be most welcome but, of course, not compulsory.

As part of our safeguarding procedures please note the following: (i) It is important that you log in with the names you used when you registered for the course otherwise you may not be allowed into the room. If you prefer to use a shortened/alternative name, then do let us/your course tutor know via email in advance of the session. (ii) You must not pass on any of the registration or Zoom meeting details to anyone else.

## Key Facts

<b>Event ref:</b>	#9402
<b>Audience:</b>	Teachers
<b>Curriculum focus:</b>	A level Mathematics, 11-16 maths, A level Further Mathematics, Core Maths
<b>Event format:</b>	Network meeting
<b>Event length:</b>	1.5 hours
<b>Region:</b>	London and South East
<b>Venue:</b>	Online
<b>Date:</b>	Thu 27th Jan 2022
<b>Course times:</b>	16:15 - 17:45
