

Advanced Mathematics
Support Programme®

Maths Unlocked! - Year 10 Enrichment Day

Norwich

29th March 2022

Overview

The Advanced Mathematics Support Programme invites you to a day of stimulating mathematical talks and activities designed to help students see the usefulness and fun of maths beyond the curriculum.

Initially, Schools may book to bring up to 16 students and an accompanying teacher **free of charge**; this event is open to all state schools.

Aims

- To offer students with a taste of mathematics beyond GCSE
- To provide information about maths courses available post-16
- To encourage students to take maths and further maths A levels, or core maths otherwise
- To have fun working on unusual maths problems and learning about new areas of maths

Who will benefit from attending?

Any Year 10 students who are intending to study, or thinking about studying maths beyond GCSE.
