

Cumbria And Lancashire Mathematics (CALM) online teacher network

A look at Variation Theory

19th January 2022

Overview

CALM is here to give opportunities for teachers of mathematics, through an online teacher network, to hold discussions about what works, what doesn't, what's happening, what should be happening and how best AMSP should be supporting schools and pupils in Cumbria and Lancashire. Anyone who teaches secondary or post-16 mathematics should find something of interest here.

We meet online, roughly each month, usually in the afternoon, for an hour or so each time.

Content

Experience an hour of CALM as we learn about **Variation Theory** with Jenny Gatley (St Joseph's Catholic High School, Workington).

There will also be an opportunity to exchange news and find out about the AMSP events and CPD courses available in 2022.

Key Facts

Event ref:	#9432
Audience:	Teachers
Curriculum focus:	11-16 maths, A level Mathematics, A level Further Mathematics, Core Maths
Mathematical focus:	Curriculum planning, Reasoning
Event format:	Network meeting
Event length:	1 hour
Region:	North West
Venue:	Zoom
Date:	Wed 19th Jan 2022
Course times:	16:00 - 17:00

Registration
